- In April the Board of Directors engaged in a planning session led by Art Lersch. The Board reviewed progress and established current and future organizational goals. All of the goals were addressed throughout the year.

- United Way was again recognized by FamilyWize for encouraging use of the program which resulted in thousands of dollars in savings for prescription drugs in 2015 for Merrill area families.
- The Board of Directors visited funded agencies throughout the summer to gain a better understanding and enhance relationship. It was interactive and beneficial for a broader understanding of how United Way dollars are used to impact lives.

COMMUNITY WARMING CENTER

- In spring of 2012 community groups, including the United Way Director, came together to discuss homelessness in Lincoln County. Since then the Lincoln County Homelessness Task Force was formed and in 2014 the Community Warming Center Committee formed to open a Warming Center that fall.
- The LC Homelessness Task Force also ensures that two nationally required Point-In-Time studies are done in January and July.
- In 2014-15 we ran the Community Warming Center 5 months and served clients on 90 service days, helping 11 guests; 7 male and 4 women.
- In summer 2015 the lease was again signed to continue with the Community Warming Center at the former Auto Bank building on West Main Street to open again on November 1st.
- Barb Ziemer agreed to continue as the Volunteer Coordinator and has recruited many volunteers to staff the facility. In February all volunteers gathered for an Appreciation/Brainstorming Coffee at the T B Scott Library.
- Volunteer training sessions were held at the County Annex and the Menard Center. Ziemer has been the biggest asset to the Warming Center. Call Barb at 715-536-0231.
- The greatest need for the center continues to be volunteers to cover the three shifts every night for five months of operation.
- In 2015 approximately $4,400 has been donated to support the project, with many additional gifts from the heart i.e. meal gift cards, bus tokens, blankets, supplies, hats, glove, boots, outerwear, etc. Merrill is a beautiful, giving community. No additional clothing or outerwear is needed at this time.

OPERATIONS

- The most significant operational change for United Way, was our relocation to the Menard Center with several other agencies March 1, 2015.
- The relocation supported changes to our computer system upgrade, changes to our phones, and Wisconsin Public Service donated a great LaserJet Color printer. These technological changes make a difference in our daily efficiencies. The move also nudged us to purge some files with Board members Kelly and Jane assisting.
- The 7th Annual Run/Walk, to support United Way, changed to the Community Kolor Run in 2015, utilizing the newly opened River Bend Trail. Riverside Athletic Club sponsored the event which was held on May 2nd with almost 900 participants. The event was incredibly fun. WJFW was a key media supporter and local media coverage was very strong. $8,000 was raised for United Way initiatives. 30 sponsors helped to make the event successful.
- United Way met with compliance measures with United Way Worldwide filing all necessary documents and very in depth reports. These included the annual Membership Certification and the Data Base II reports.
- The United Way finances were audited by Krause, Howard and Company and met with acceptable accounting standards. All appropriate tax reporting/payments were completed.
- In January 2015 Merrill Area United Way was recognized for the important role they play in supporting the Samoset Council Boy Scouts.
